PURPOSE, MISSION, AND CORE VALUE STATEMENTS

DATE: January 26, 2021

TO: District Board Members

FROM: Jessica Asher, Board Secretary

SUBJECT: Annual Review of Purpose, Mission and Core Values Statements

BACKGROUND: A review of the District's adopted Purpose Statement, Mission Statement and Core Values is part of the Board's annual activities. The last review was conducted in January 2020 and no change was made.

DISCUSSION: These statements are typically reviewed annually in order to accommodate changes requested by the Board, any significant changes in the community and to accommodate concerns or requests made by the public.

ALTERNATIVES: 1. Make no revisions.

2. Make revisions as desired.

FISCAL/RESOURCE IMPACTS: None.

RECOMMENDATION: The Board may consider revisions or additions to the District's Purpose Statement, Mission Statement, and / or its Core Values, to identify forest fuels management services or other the services the District currently, or may in the future, provide. However, the Board is reminded that this guiding language is intended to be high-level and concise.

The Board should consider whether the current language is sufficient for the District to pursue forest fuels management services, or other services. The District's efforts in Parks services (e.g., Bike Trail Snow Removal Program, Olympic Meadow Preserve, Trail Benches, etc.) have not triggered changes. Of course, there is currently no impediment to the District pursuing forest fuels management services. One example is the District's execution of a consulting contract with Deer Creek Resources and Wildland Rx to prepare a Community Wildfire Protection Plan (CWPP) with support from the Olympic Valley Firewise

Council. It is assumed that District resources will continue to be committed to wildfire mitigation work.

ATTACHMENTS: Purpose Statement, Mission Statement and Core Values Statement.
