

SQUAW VALLEY PUBLIC SERVICE DISTRICT

ADMINISTRATION/OFFICE REPORT

DATE: February 28, 2017

TO: District Board Members

FROM: Kathryn Obayashi-Bartsch, Secretary to the Board

SUBJECT: Monthly Report

DISCUSSION: Special District Risk Management Authority (SDRMA) and Annual Safety Day
SDRMA provides special districts with risk management solutions, including property/liability coverage, workers' compensation and health benefits. For 2016-17, the SDRMA Board of Directors kept rates flat for property/liability for the seventh year in a row and also kept rates flat for the workers' compensation for the second year in a row. There were 101 attendees at the Annual Membership Safety/Claims Education Day in Newport Beach on March 28-29, 2016. District staff did not attend.

The Annual Membership and Safety/Claims Education Day is on March 28, 2016 in Sacramento. SDRMA hosts this event to provide training and information regarding insurance coverages, online training programs, technology and member services. As a Board member you are encouraged to attend so please notify staff if you are interested in attending.

Board Member Professional Development

There are many professional development opportunities available to Board members including conferences, on-line trainings and on-demand webinars. The California Special Districts Association (CSDA) launched an "On-Demand" webinar service that enables attendees to participate in many of CSDA's most popular webinars at a time and place that is most convenient for them. Participants are able to login, watch the webinar of their choice and print their certificate of completion. Please review the list of educational offerings on the California Special Districts Association website at csda.net and speak to staff if you are interested in participating.
