Pedestrian Crossing - Highway 89/Squaw Valley Road Intersection

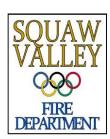

The pedestrian crossing at Highway 89 and the Squaw Valley Road intersection has been discussed at several Board meetings, specifically the need to improve this crossing for safety purposes. Ms. Patti Guilford has been in contact with CalTrans staff to address this issue and the Board directed staff to assist Ms. Guilford with her efforts. On July 10th and July 12th, CalTrans striped the crossing using the international crossing format and repainted directional arrows. Staff will send a letter to Mr. Paul Close, Engineering Division on behalf of the Board thanking him for his cooperation and assistance.
