

Mission Statement for SVPSD Parks and Recreation- adopted by SVPSD Board on 8/30/18

“The Parks and Recreation Committee of the Squaw Valley Public Service District participates in and facilitates as appropriate an ongoing collaborative effort among diverse Valley stakeholders to advocate for use of land, projects, and facilities in the Valley with the objective to enrich the quality of life for our community by providing and maintaining parks, open space, trails and facilities that promote social connectivity, health and wellness, learning and fun.”
