

OLYMPIC VALLEY PUBLIC SERVICE DISTRICT

NOTICE TO PROPERTY OWNERS & CUSTOMERS OF PROPOSED WATER/SEWER/GARBAGE RATES & CHARGES & NOTICE OF PUBLIC HEARING

This notice informs you of **PROPOSED** increases to water, sewer, and garbage rates and charges for each property owner of record and to those tenants of real property who are liable to pay the District's rates and charges for utility services. A Public hearing on the **PROPOSED** increases will be held on **May 28th, 2024 at 8:30 a.m.** by the District's Board of Directors at 305 Olympic Valley Road, Olympic Valley, CA. The **PROPOSED** rate increases will become effective **July 1, 2024**, if adopted. Please call the District offices at **530-583-4692**, Monday through Friday, between the hours of 8 AM and 4PM with any questions regarding this notice.

Why are rate adjustments necessary?

The District must determine the necessary revenue, and subsequent water, sewer and garbage rates, to adequately fund each utility's infrastructure needs, programs, and operations and maintenance costs of the water and sewer utility. Based on budget needs, proposed rates have been developed to enable the District to:

- Recover projected costs of operations and maintenance and capital infrastructure improvements needed to maintain and repair the water and sewer systems;
- Maintain the operational and financial stability of the utilities; and
- Avoid operational deficits and depletion of reserves.

The proposed rates are calculated to recover the costs of providing water, sewer and garbage services and proportionately allocate those costs on a customer basis among the various customer classes served by the District.

You may communicate your concerns by sending **written comments** to the **Board of Directors, OVPSD, PO Box 2026, Olympic Valley CA 96146**, or by delivering them in person at the hearing. **Fax and e-mail submissions cannot be accepted.** Property owners' **protests must be received prior to the close of the public hearing on May 28, 2024.** **All protests must include a description of your property (parcel number or physical address), the type of rate protested, printed name AND signature.** The person signing must appear on District billing records, or the Placer County Assessor's records, or other written evidence that the person signing has the authority to sign for the trust, company, partnership, etc. One protest per parcel and the parcel must have active water or sewer service. If you acquired the property since the last Placer County tax roll was issued, please include written confirmation that you presently own the property. If written protests against any of the proposed rate increases are presented by a majority of property owners and/or customers within the District's service boundary, the District will not impose that increase. In order to be considered, written protests must be received by the District prior to the close of the public hearing. The Board of Directors, after the close of the public hearing, will establish rates for fiscal year 2025, which rates and charges will not exceed the proposed increase set forth herein.
