The name of the District is currently under consideration due to the meaning and origin of the word "squaw" which is considered derogatory and offensive. District customers are encouraged to both attend and participate in the meeting scheduled for next Tuesday. Staff will recommend the Board adopt Resolution 2020-17 and change the name of the District to "*Olympic Valley Public Service District*" and direct staff to initiate processes to effectuate the name change. The public is encouraged to read the Staff Report at the link provided below. This decision is an opportunity for the Board of Directors to engage the community in the discussion and hear directly from you.

WE HOPE TO HEAR FROM YOU AT OUR MEETING!
